

## IOSH Safety for Senior Executives Certificate Course

Safety Risk Management is a key component in any organisation. Managing these risks effectively contributes directly to the triple bottom line – People, Planet, and Profit.

**Safety for Senior Executives (SSE)** is aimed at senior executives with strategic responsibility for occupational safety and health. Emphasis is placed on strategic level solutions to implementing, integrating and communicating, as well as complementing Corporate Social Responsibility (CSR) and Enterprise Risk Management (ERM) programmes.

### Who should attend?

Senior Executives, Directors, and Vice Presidents with strategic responsibility for occupational safety and health

### Highlights

- Corporate and personal liabilities
- Integrating safety with business objectives
- Safety leadership - key actions
- Tools and systems to achieve success

### Accreditation and CPD

Upon successful completion, delegates will be awarded an IOSH Safety for Senior Executives Certificate, and IOSH members CPD points

### Fee

- HK\$2,380 for members/staff of supporting organisations\*
- HK\$2,380 for multiple delegates from the same organisation
- HK\$3,900 for others
